Leadership

Outreach Prefect

2018-19 School Year

The prefect system is our school's form of student government. I applied and was selected to be the Outreach Prefect for my senior year, meaning that I am in charge of all service events and ensuring that all of our upper school students meet their service hour requirement. I organize service events every month and work with the students to build relationships with various organizations. I also redesigned our school-wide day of service this year.

Environmental Prefect

2017-18 School Year

I applied for and was selected to be the Environmental Prefect during my junior year. I was responsible for all recycling initiatives and anything else environmentally related. My most significant accomplishment was the creation of a new tradition of "Earth Week," a celebration surrounding Earth Day to raise awareness about our environment.

Elder of Mount Vernon Presbyterian Church

2017-19

Being an Elder in the Presbyterian Church means that you are part of a group called "session" that makes decisions, from financial to theological, for your church. I was ordained in January 2017 as the youngest elder ever at our church and roll off in January 2019. I am on the Children's Ministry team that works specifically with children's activities, Sunday programs, and Vacation Bible School.

Varsity Soccer Captain

Spring 2017-19

I have been the Varsity Soccer captain since sophomore year. This has allowed me to step into a leadership role and gain experience in managing a large group of people with a common goal. It has been particularly exciting to be a part of this team since we have continued to improve our record each year.

Leader In Training (LIT)

July-August 2016

In order to become a counselor at Camp High Harbour, you have to complete LIT year, which is a program designed to create servant leaders. It was one of my favorite years of camp and taught me many values. The program consists of learning how to speak in front of groups through devotions, supervising activities and being a servant through washing dishes and constantly cleaning. It is an exhausting experience, but it is where I made several of my closest friends.

Extracurricular Activities

Club Soccer

2015-18

I have played club soccer throughout my entire high school career and have committed a lot of time and energy to improve my game. I currently play at the Athena A level as a starting center back. Since I started my club career at the lowest level, I have learned a lot about commitment and work ethic to progress to my current level.

Varsity Soccer

2015-18

I have been the starting center back all four years of my high school career and the team captain for the past three. Playing Varsity Soccer has allowed me to make many of my closest friends and learn how to work through adversity.

Business and Entrepreneurship Club

2015-18

The business and entrepreneurship club provides opportunities for members to hear from business leaders in a variety of fields about their jobs, experiences, and backgrounds. It also provides opportunities for students to network.

Student Ambassador

2015-18

Being a student ambassador at Mount Vernon means that you give tours to families interested in enrolling their children and allowing students to shadow you.

Environmental Prefect Committee

2016-17

I served on the Environmental Prefect Committee during my sophomore year, which allowed me to assist the Environmental Prefect at the time.

Volunteer Service

Garden Hill High School Scholarship Fund - Location: Lusaka, Zambia

August 2015 - Present Day

At the beginning of my freshman year, I started a scholarship fund for high school students in Lusaka, Zambia through my church. I have learned many skills during this project including public speaking and web design. This past

year I raised over \$5000 sending 22 students to school and had my first ever graduate!

Vacation Bible School - *Location: Atlanta, Georgia*

Summer of 2015-18

I have helped to teach Vacation Bible school at my church every summer of my high school career. I have been both a group leader and have taught the science class.

Feed the Homeless - *Location: Atlanta, Georgia*

August 2015-18

My youth group goes into Downtown Atlanta four times a year to provide the homeless with food, clothes, water, and hygiene kits. I have been involved with this project every year that I have been in Youth Group.

Mission Trip to Zambia - *Location: Lusaka, Zambia*

Summer 2017

The summer after my Sophomore year, I traveled to Zambia with my family and church to see the various mission projects we support. We toured schools, orphanages, and children's health organizations. However, the most important activity to me was getting to meet 17 of the 22 students whose tuition I was funding.

Experience

Sports Medicine Internship

November 2016 - February 2017

I worked with the Head Athletic Trainer at my high school during the winter sports season. I learned about the types of therapy involved with different injuries and learned how to assess an injury. I also got a chance to practice taping various joints.

Camp Counselor at Camp High Harbour - *Counselor in Training (CIT)*

July 2017 - August 2017

This was my first year as an official counselor at Camp High Harbour, but my seventh year going to camp. I worked with mainly 9-11-year-old for three weeks and had over thirty girls in my cabin each week.

Camp Counselor at Camp High Harbour - *Assistant Counselor (AC)*

July 2018 - August 2018

This was my second year as a counselor at Camp High Harbour and my eighth year going to camp. I worked with 9-11-year-old girls for three weeks but taught activities to kids up to thirteen-years-old and as young as 7 years old.

Interim Trip to Italy

February 2018

I took a trip to Rome, Italy with a group of my classmates for a week to explore Italian culture, from cuisine to traditions, as well as Roman history. We had to do individual research before going on a specific topic and subsequently teach out classmates.
